

Sistemele optice de comunicatii (SOC)

Dr. Ing. Florentin Vasile

- Introducere in sistemele optice de comunicatii
- Istoric telecomunicatii
- Ghiduri si fibre optice

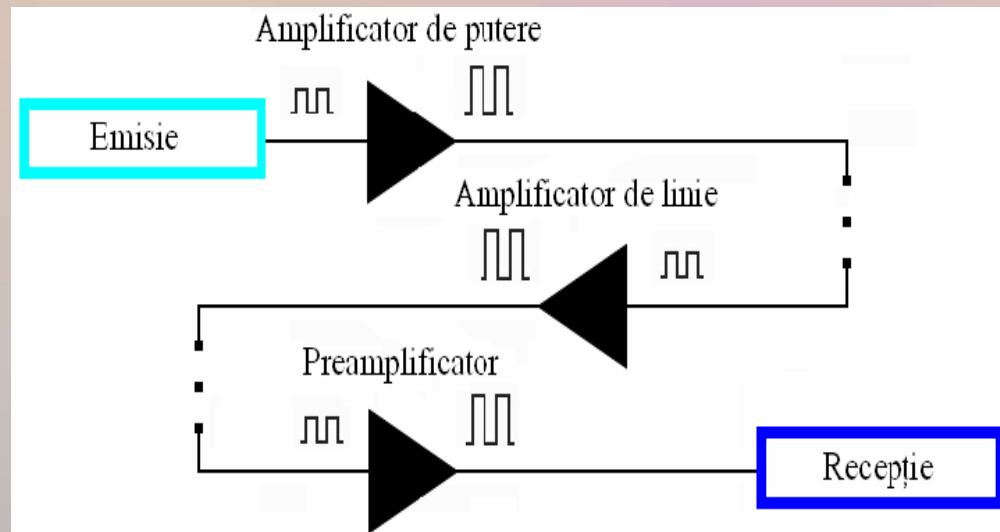

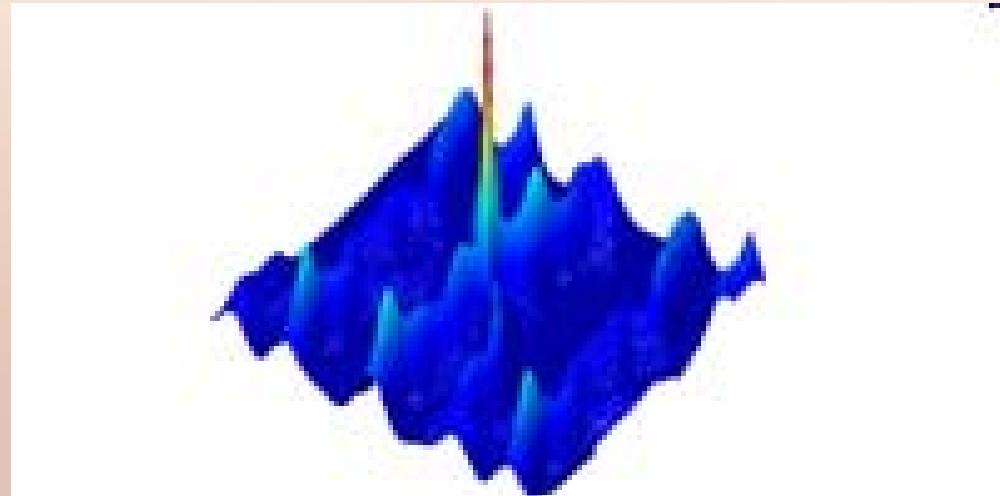

- Metode de multiplexare pentru sistemele optice de comunicatii
- Protocole folosite in sistemele de comunicatii

- Efectele neliniare din fibrele optice
- Solitoni Optici
- Free-Space Optical Communication

- Amplificatoare optice
- Sisteme de comunicatii optice
de mare viteza si
canale optice de 100/200/400 Gbit/s

- Retele optice pasive si retele optice active
- Retele optice
- Sisteme si dispozitive optice folosite la masurarea parametrilor optici din sistemele optice de comunicatii

- Laboratoare SOC:
 - ✓ Telefonia digitala
 - ✓ SDH (Synchronous Digital Hierarchy)
 - ✓ Introducere in Optipetrformer
 - ✓ Parametrii pentru fibrele optice
